

ACCESSION AGREEMENT
for the provision of educational services under higher and postgraduate education programs

By this agreement, «Qazaq AI Research University» LLP, hereinafter referred to as the «University», acting on the basis of license No. KZ61LAM00011226 dated April 29, 2026 (perpetual), issued by the Republican State Institution «Committee for Quality Assurance in Science and Higher Education of the Ministry of Science and Higher Education of the Republic of Kazakhstan», determines the conditions for the receipt of educational services on a paid basis by the Learner who has acceded to the terms of this Agreement.

The accession of the Learner, their legal Representative and (or) the Paying Party to this Agreement shall be carried out on the basis of a signed «Statement of Accession», according to the form which is an integral part of this Agreement.

The Learner, as well as their legal Representative and (or) the Paying Party, who have acceded to this Agreement, and the University, accept all conditions and obligations established by this Agreement in their entirety, only after an authorized employee of the University makes a mark on the acceptance of the Statement.

The Parties have agreed that the date of conclusion of the Agreement shall be the date of signing the «Statement of Accession». The Statement is signed in 2 (two) identical copies, one for each of the Parties. The submission of the «Statement of Accession» by the Learner does not imply the automatic emergence of an obligation for the University to enroll him (her) into the body of Learners of the University. Enrollment is carried out pursuant to the terms of this Agreement.

This Agreement is a standard approved form and shall not be subject to alteration by the Learner and their legal Representative and (or) the Paying Party.

The University shall be entitled to introduce amendments and additions to this Agreement in the procedure determined by this Agreement. The University shall inform the Learner, and if the Learner has not reached the age of majority - the Representative, about the unilateral amendment of this Agreement by placing information on the official website of the University <https://qairu.kz/> and in information systems and means of communication with the Learner, no later than 10 (ten) calendar days prior to the date such amendments enter into force.

The Parties unconditionally agree that the form of this Agreement and the procedure for accession to it are equated to the written form of concluding contracts.

1. SUBJECT OF THE AGREEMENT

1.1. In accordance with the terms of this Agreement, the University undertakes the obligations to organize the education of the Learner on a paid basis in the full-time form of study, in a separate group of educational programs of higher or postgraduate education of the educational program specified by the Learner in the «Statement of Accession» and the mastery of the number of credits established by the internal regulatory documents of the University, with the conferment to him (her) based on the results of the final attestation of the «Bachelor» or «Master» degree, with the issuance of a diploma of higher or postgraduate education of its own format and a supplement thereto.

1.2. The standard, as well as the maximum period of study for a separate group of educational programs of higher or postgraduate education shall be determined by the regulatory acts of the Republic of Kazakhstan and the internal regulatory documents of the University.

1.3. The educational process shall be carried out in accordance with the legislation of the Republic of Kazakhstan, the state compulsory educational standards, the Academic Policy and the internal regulatory documents of the University.

2. RIGHTS AND OBLIGATIONS OF THE PARTIES

2.1. The University undertakes to:

2.1.1. Admit the Learner on the basis of the regulatory acts of the Republic of Kazakhstan and the regulatory documents of the University (or those transferring from another educational organization subject to the liquidation of the academic difference on a paid basis) into the body of learners of the University, provided that he/she or the Representative and (or) the Paying Party makes the tuition payment in the amount according to Appendix No. 1 and in the «Statement of Accession», which is an integral part of this Agreement. The number of credits for which the Learner may register is stipulated in the internal regulatory documents of the University.

2.1.2. Enroll for study at the University by an order of the Rector based on the submitted Statement of Accession and this Agreement, provided that the initial amount and the cost of educational services for the respective year are paid within the established terms.

2.1.3. Place the internal regulatory documents on the official electronic information resources of the University for the Learner's familiarization. The Parties have agreed that the Learner's personal signature confirming familiarization with the internal regulatory documents of the University is not required.

2.1.4. Ensure the training of the Learner in accordance with the requirements of the State Compulsory Standard of Higher or Postgraduate Education of the Republic of Kazakhstan, the Academic Policy of the University and other internal documents regulating the educational process.

2.1.5. Determine the recommended volume of the Learner's academic load and create healthy, safe conditions for study.

2.1.6. Provide free access to and use of the information resources of the libraries of educational organizations, textbooks, educational and methodological complexes, and educational and methodological manuals.

2.1.7. Render assistance in undergoing all types of internships, research works and practical training, including scientific or professional internships in accordance with the individual study plan.

2.1.8. Organize and provide the opportunity for the Learner on a voluntary basis to take part in scientific, cultural, sports and other events of the University.

2.1.9. Ensure the transfer of the Learner on the basis of a personal application to another educational organization, from one language department to another, from one educational program to another, as well as to reinstate in accordance with the regulatory acts of the Republic of Kazakhstan in the field of higher or postgraduate education, internal regulatory documents and the Academic Policy of the University.

2.1.10. Provide the Learner with the opportunity to master additional credits on the terms and in the procedure stipulated by the Academic Policy of the University and other internal regulatory documents of the University.

2.1.11. Confer, upon the successful mastery of the required academic credits by the Learner, the academic degree of "Bachelor" or "Master" and issue a diploma with a supplement of the format complying with the requirements of the current legislation of the Republic of Kazakhstan.

2.2. In the event of the dismissal of the Learner from the University at their own request and/or termination of this Agreement at the initiative of the University, the Learner and/or the Representative, the payment shall not be refunded, regardless of the Learner's participation in academic classes.

2.3. Upon introducing amendments and additions to this Agreement, to the cost of educational services for the respective year, to place the information on the official website <https://qairu.kz/> of the University on the Internet, as well as in information systems and means of communication with the Learner, no later than 10 (ten) calendar days prior to the date such changes enter into force.

2.4. The University shall be entitled to:

2.4.1. Demand from the Learner the good-faith and proper performance of duties in accordance with this Agreement, compliance with the internal regulatory acts of the University, academic discipline, and a correct and respectful attitude towards the teaching staff, employees, and learners of the University. The internal regulatory acts of the University are placed on its official information resource (the University website <https://qairu.kz/>, corporate email, etc.). The Parties have agreed that the introduction of amendments into the internal regulatory acts placed on the official information resource (the University website, etc.) of the University shall not require the drawing up of a written act of familiarization. The internal regulatory acts of the University placed on its official information resource shall enter into legal force upon the expiration of 10 (ten) calendar days from the moment of their publication on the official website of the University.

2.4.2. Apply disciplinary measures to the Learner for their violation of academic discipline, the terms of clause 2.4.1. of this Agreement, the internal regulatory documents of the University, up to and including dismissal from the University.

2.4.3. Demand from the Learner a careful attitude towards the property of the University, and compliance with the rules for working with computer and other equipment. In the event of causing material damage by the actions of the Learner, to demand compensation for the incurred costs for its restoration in the manner stipulated by the current legislation of the Republic of Kazakhstan.

2.4.4. Retain for a repeated period of study a Learner who has not fulfilled the requirements of the Academic Policy and the individual study plan. In this case, the Learner may study according to the previously adopted individual study plan with corresponding adjustments, or form a new individual study plan.

2.4.5. Dismiss a Learner who has not registered within the established timeframes for a repeated course of study.

2.4.6. Dismiss the Learner and terminate this Agreement in a unilateral extrajudicial procedure for the commission of a disciplinary offense, violation of the provisions of internal regulatory acts, systematic or gross violation of academic discipline (systematic missing of academic classes for more than 20% of the total number of hours for each discipline without a valid reason, an attempt and/or unlawful access to the information resources of the University, provision of unreliable documents, including medical certificates), academic failure, violation of the terms of this Agreement, including clause 2.4.1., the Academic Honesty Code, the Charter of the

University, violation of the norms of the legislation of the Republic of Kazakhstan, the norms of the internal regulatory documents of the University, and for financial indebtedness to the University regardless of the grounds for its occurrence.

2.4.7. Organize the opportunity for mastering additional credits within the terms and on the conditions stipulated by the internal regulatory documents of the University.

2.4.8. Carry out the encouragement and rewarding of the Learner for success in academic, scientific, and creative activities.

2.4.9. Not admit the Learner to the further study of a discipline and/or to all types of control in the event of exceeding the maximum number of absences from academic classes without a valid reason, as determined by the Academic Policy of the University.

2.4.10. In the event of an insufficient number of Learners (less than 15 persons) for an educational program, transfer the Learner (with their consent) to another educational program, and in the absence of the Learner's consent to the transfer, terminate this Agreement in a unilateral extrajudicial procedure and return to the Learner the overpaid amount for tuition without any deductions.

2.4.11. Not personally notify the Learner or their Representative and (or) the Paying Party about the presence of financial or academic indebtedness, as well as about the necessity to appear for registration for the next academic period (information on academic performance and financial indebtedness is placed on the electronic information resources of the University). To notify the Representative of a minor Learner and (or) the Paying Party about academic performance or financial indebtedness solely upon a written request of the Representative and (or) the Paying Party.

2.4.12. Use digital facial recognition devices for recording the educational process, intermediate and final control, and internal regulations in the University building, as well as, if necessary, to carry out intermediate and final control using an online proctoring system (online accompaniment and control of the learner).

2.4.13. In the event of a declaration by authorized bodies of a state of emergency, quarantine, or other circumstances, conduct the educational process remotely utilizing respective platforms.

2.4.14. Pursuant to the legislation of the Republic of Kazakhstan in the field of personal data protection, the Parties have agreed that the University shall be entitled to carry out the collection, processing, storage, use, transfer (dissemination, provision, access) of data, as well as any information, including: surname, name, patronymic, date and place of birth, address, marital status, education, nationality, IIN/BIN of any other information ("Personal Data") relating directly or indirectly to the Learner, and their legal Representative and (or) the Paying Party, which becomes available within the framework of this Agreement and/or upon the provision of educational and other services by the University. The University undertakes to ensure compliance with the requirements of the legislation of the Republic of Kazakhstan in the field of personal data protection. The written consent of the Learner and their legal Representative and (or) the Paying Party for the collection, storage, processing, and transfer to state authorized bodies and the Ministry of Education and Science of the Republic of Kazakhstan of personal data for the purposes arising from this Agreement, as well as for the provision of educational and other services by the University, shall be deemed received at the moment of accession of the Learner and their legal Representative and (or) the Paying Party to this Agreement.

2.5. The Learner undertakes to:

2.5.1. Master the knowledge and practical skills in the full volume of the individual study plan based on the state compulsory educational standards, attend all types of academic classes, and pass all types of control within the established timeframes. Violation of this clause by the Learner shall not serve as grounds for exempting him/her or the Representative and (or) the Paying Party from payment under the Agreement.

2.5.2. Familiarize themselves with, observe and execute the internal regulatory acts of the University, orders and directives of the University management, the Charter of the University, the terms of this Agreement, the Academic Policy, the Academic Honesty Code and other documents placed on the official information resource.

2.5.3. Take good care of the University's property and use it rationally, participate in creating normal conditions for study.

2.5.4. Participate in the public life of the University.

2.5.5. Make timely payment for educational services on the basis of Appendix No. 1 to this Agreement, personally or through their Representative and (or) through the Paying Party.

2.5.6. When drawing up their individual study plan, strictly follow the regulatory acts in the field of education, the Academic Policy of the University, and observe the established procedure and timeframes for registration for academic disciplines.

2.5.7. In the event of missing classes for valid reasons, personally or through relatives or a Representative inform the Dean's Office of the University about the occurrence within 2 working days, with the provision of documents confirming this circumstance within 3 working days after recovery or cessation of the events. When the Learner is on outpatient or inpatient treatment, notify the University in writing thereof with the presentation of confirming documents no later than 3 days from the moment of closing the temporary disability certificate/list to verify their validity. In case of failure to provide documents confirming the events specified in this clause within 10 (ten) working days, the University shall subsequently have the right not to accept and not to consider the documents submitted by the Learner.

2.5.8. Complete all types of works stipulated by the individual study plan, and receive a positive final grade to obtain credits for the discipline. If the Learner receives an unsatisfactory final grade for the discipline, credits for this discipline shall not be awarded. The procedure for conducting ongoing monitoring of academic performance, intermediate and final attestation shall be determined by the legislation of the Republic of Kazakhstan and the internal regulatory acts of the University.

2.5.9. A Learner who has received a final grade of "unsatisfactory" for a discipline and/or who is not admitted to studying the discipline for missing classes pursuant to clause 2.4.6. of this Agreement, in the next academic period or in an additional semester anew on a paid basis attends all types of academic classes stipulated by the individual study plan, receives admission and passes the final control. For this, the Learner goes through the procedure of registration for the discipline anew upon a personal application or is dismissed from the University. A Learner who has not accumulated the established number of credits and has not fulfilled their annual individual study plan shall remain, pursuant to an order, for a repeated course of study.

2.5.10. Comply with military registration rules.

2.5.11. Provide written explanations on the issues of compliance with the terms of the Agreement, internal regulations, and internal local regulatory acts of the University upon the demand of the administration.

2.5.12. Notify the University in writing within 3 (three) working days from the moment of changing the surname, name, patronymic, marital status, place of residence, phone number, e-mail address, providing the relevant documents. In the event of non-notification, the University shall not be liable for the timely issuance of documents, sending of correspondence or other actions dependent on the relevant data of the Learner.

2.5.13. The Learner, being a user of the educational system and other information platforms of the University, shall be obliged to observe confidentiality, and shall have no right to transfer their login and password providing access to the system to anyone. The Learner independently conducts registration, writes and submits applications in the electronic information systems and platforms of the University. The procedures for registration and submission of all forms and types of applications in the electronic information systems and platforms of the University shall be equated to the written form of submitting an application.

2.5.14. Undergo all types of internships in a timely manner, defend reports on them, carry out all types of research works, undergo practical training, scientific and professional internships in accordance with the individual study plan.

2.5.15. Treat teachers, employees and learners respectfully and correctly, respect the honor and business reputation of the University, not disseminate information defaming its image, and also not disseminate video/audio or other educational content.

2.5.16. Promptly and fully bring to the notice of the Representative and (or) the Paying Party the information regarding academic performance, attendance, imposition of disciplinary sanctions on the Learner and bringing him/her to material liability.

2.5.17. Take good care of their health and life, and the health and life of those around them. The Learner shall bear liability stipulated by the legislation of the Republic of Kazakhstan for unlawful actions directed against the life and health of a person, committed both personally by him/her and with his/her participation.

2.5.18. Independently monitor amendments and additions to this Agreement or to the cost of educational services posted on the official website of the University on the Internet, as well as in information systems, platforms and means of communication with the University. At the same time, the Learner shall not be entitled to refer to unawareness regarding amendments to the Agreement and/or the cost of educational services, as well as existing accounts receivable.

2.5.19. In the event of causing material damage, damage to the honor and business reputation of the University, bear full material liability in the manner stipulated by the current legislation of the Republic of Kazakhstan.

2.5.20. Possess the necessary digital devices for the educational process and performance of assignments, and if necessary, have a stable internet connection (bandwidth of not less than 5 Mbps) to undergo intermediate and final control using an online proctoring system.

2.6. The Learner is entitled to:

2.6.1. Transfer from one educational organization to another, from one educational program to another, as well as from paid education to education under the state educational order in the procedure established by the Rules for Transfer and Reinstatement, on the basis of an order of the head of the University.

2.6.2. Receive additional educational services for an additional fee.

2.6.3. Have free access to and use the fund of educational, educational and methodological literature on the basis of the library and reading halls of the University.

2.6.4. Master credits in accordance with the legislation of the Republic of Kazakhstan, the internal regulatory acts of the University in other educational organizations, including under academic mobility programs.

2.6.5. Participate in the self-governance bodies of the University.

2.6.6. Receive consultations on academic matters and/or conduct reconciliation of the receipt of amounts paid by him/her to the settlement account of the University upon oral and written request.

2.6.7. Submit an application to the Department of Academic Activities no later than 5 (five) working days prior to the beginning of the academic period on the impossibility of registration for the next academic period, indicating a valid reason.

2.6.8. In the event the Learner has paid for educational services for an academic period in which, upon his/her personal application and with the consent of the Department of Academic Activities, there will be no registration, the payment shall not be refunded and shall be credited towards tuition in the next academic period.

2.7. Obligations and rights of the Representative:

2.7.1. The Representative shall be obliged to ensure the timely receipt of payment to the settlement account of the University pursuant to the terms of this Agreement and Appendices thereto. Upon the Learner reaching the age of majority, the obligations for timely payment for educational services shall transfer to the Learner.

2.7.2. The Representative shall have the right to conduct a reconciliation of the receipt of amounts paid by them to the settlement account of the University to clarify the presence of the Learner's accounts receivable, as well as to monitor the Learner's academic performance and attendance of classes by sending a written request.

2.7.3. The Representative shall render assistance to the University in ensuring the Learner's fulfillment of their duties and compliance with established rules, and until the Learner reaches the age of majority, shall monitor their attendance of academic classes and academic performance by maintaining contact with the University, and shall take measures of an educational nature. The Learner undertakes to independently and promptly inform the Representative about the presence of academic and financial indebtedness. The Representative, in turn, undertakes to regularly monitor the Learner's academic performance, attendance, and financial indebtedness.

2.7.4. The Parties have agreed that upon the Learner reaching the age of majority, the rights and obligations of the Representative shall transfer to the Learner. At the same time, the conclusion of an additional agreement (on the withdrawal of the Representative as a party to this Agreement) shall not be required.

2.7.5. Independently monitor amendments and additions to this Agreement or to the cost of educational services posted on the official website of the University on the Internet <https://qairu.kz/>, as well as in information systems, platforms and means of communication between the University and the Learner. At the same time, the Representative shall not be entitled to refer to unawareness regarding amendments to the Agreement and/or the cost of educational services.

2.8. Obligations and rights of the Paying Party:

2.8.1. The Paying Party shall be obliged to ensure the timely receipt of payment to the settlement account of the University pursuant to the terms of this Agreement and Appendices thereto.

2.8.2. The Paying Party shall have the right to conduct a reconciliation of the receipt of amounts paid by them to the settlement account of the University to clarify the presence of the Learner's accounts receivable, as well as to monitor the Learner's academic performance and attendance of classes by sending a written request.

2.8.3. The Paying Party shall be entitled to demand from the Learner the fulfillment of all conditions of this agreement. In the event of evasion, they shall be entitled to demand from the Learner compensation for monetary payments made both by the Paying Party and withheld by the University in accordance with the terms of this Agreement.

2.8.4. The Paying Party shall be entitled to receive information about the Learner's academic performance and attendance.

3. AMOUNT AND PROCEDURE OF PAYMENT FOR EDUCATIONAL SERVICES

3.1. The procedure for tuition payment is established in Appendix No. 1, which is an integral part of the Agreement, with the cost of educational services for the respective year. In exceptional cases, the University may provide tuition discounts or individual benefits related to the procedure and terms of tuition payment.

3.2. In the event a first-year Learner terminates the agreement with the University and submits a corresponding application for dismissal from the University before September 15th of the current academic year, the University shall levy a penalty in the amount of 10% of the cost of 60 credits.

3.3. Learners transferring from other educational organizations shall be admitted to classes by a corresponding order after signing the Statement of Accession to this Agreement and making the tuition payment.

3.4. Payment is made by transferring payments to the settlement account of the University.

3.5. In the event of dismissal of the Learner from the University and termination of the Agreement with him/her, upon their subsequent reinstatement to the body of Learners, the tuition payment shall be made in the procedure, amounts and on the terms established by the regulatory documents of the University at the moment of the Learner's reinstatement.

3.6. In the event an academic leave is granted to the Learner, the amount and system of tuition payment shall be preserved.

3.7. Upon dismissal of the Learner from the University due to illness rendering it impossible to continue studies, confirmed by the conclusion of a medical expert commission (including due to disability), the issue of a refund of funds shall be considered by the administration of the University. At the same time, funds for the current academic period up to the date of submission of the application on the impossibility of studying due to illness shall not be refunded.

3.8. The Learner shall be entitled to reinstatement in the procedure determined by the legislation, provided there is no financial indebtedness to the University and upon payment for educational services in the procedure and terms established by the agreement for the provision of educational services on a paid basis and the internal regulatory acts of the University effective at the moment of their reinstatement.

3.9. Indebtedness of the Learner shall be recognized as unpaid expenses of the University for organizing the educational process of the respective academic period, regardless of the date of submission of the application for dismissal and/or termination of this Agreement and the Learner's participation in academic classes, taking into account clause 2.2 of this Agreement. In the event of

refusal of voluntary repayment of indebtedness, the debt amount shall be recovered by the University through judicial proceedings. All expenses and legal costs incurred by the University through the fault of the Learner or their Representative, including upon the submission of unfounded claims to the University, shall be attributed to the Learner or their legal Representative.

3.10. Upon unauthorized cessation of studies and failure to notify the University thereof, payment for the University's services shall accrue until the termination of this Agreement, regardless of the Learner's participation in classes. The University shall not bear liability for the untimely notification of the University regarding the cessation of studies and/or the unilateral termination of this Agreement by the Learner or Representative (regardless of the form of study).

3.11. Upon transfer of the Learner from one educational program to another during the vacation period, payment for studying the discipline shall be made at the cost of credits of the educational program to which the Learner is being transferred.

3.12. The Parties have reached an agreement and give their unconditional, irrevocable consent that the University, taking into account inflation and the socio-economic situation, is entitled to alter the cost of 1 (one) academic credit no more than once a year. At the same time, signing an additional agreement and/or re-signing the Statement of Accession shall not be required. Information on amending or supplementing the cost of educational services of the University shall be placed on the official website of the University on the Internet, as well as in information systems and means of communication with the Learner.

3.13. In the event of the Learner's dismissal on the initiative of the University, the amount paid as tuition payment shall not be refunded.

4. LIABILITY OF THE PARTIES

4.1. In the event of financial indebtedness for educational services, the University shall block automated information systems, and the Learner shall not be admitted to taking all types of control (current and final) and shall be subject to dismissal from the University. The resulting tuition debt shall be recovered in the procedure established by the legislation of the Republic of Kazakhstan. In the presence of financial indebtedness both for educational services and other services of the University stipulated by internal regulatory documents, the University shall not admit the Learner to registration for the respective academic period. The payment of funds by the Learner or their Representative to repay the financial indebtedness grants them the right to reinstatement into the body of Learners of the University in the procedure established by the legislation of the Republic of Kazakhstan.

4.2. The transcript and other documents from the Learner's personal file shall be issued after the Learner completes the "Clearance Form" and repays the financial indebtedness (both for tuition payment and other services of the University).

4.3. Upon the formation of financial indebtedness (both for tuition payment and other services of the University) by the time of graduation, the University shall be entitled not to issue to the Learner the original documents on the received education of the Learner until the complete repayment of the debts.

4.5. The University shall not bear liability for the consequences of the provision of incorrect and untrue information by the Learner regarding the place of residence, phone number, marital status and other information.

4.6. The Learner shall fully compensate for the caused damage and shall be subject to dismissal from the body of Learners of the University upon violations of conditions/commission

of actions specified in clauses 2.4.1, 2.4.6, 2.5.13, 2.5.15 and 2.5.20 of this Agreement. At the same time, the University shall be entitled to recover the caused damage, including to image and business reputation, through judicial proceedings.

4.8. In the event of assignment to professional internship, the Learner bears full material liability to the University and third parties for the reimbursement (compensation) of harm to the property of third parties as a result of their actions (as well as omissions, for example, in the event of a threat of fires and in other cases).

4.9. The liability of the Learner before authorized state bodies shall be regulated by the legislation of the Republic of Kazakhstan.

4.10. This agreement shall be deemed terminated from the day of issuance of the order on the dismissal of the Learner.

5. DISPUTE RESOLUTION PROCEDURE

5.1. Disagreements and disputes arising in the process of fulfilling this Agreement shall be resolved directly by the parties in order to work out mutually acceptable solutions by sending written pre-trial claims. In the absence of an answer within 7 working days or the provision of an unacceptable answer for the other Party, an agreement shall be deemed not reached.

5.2. Issues not resolved by the parties through negotiations and working out mutually acceptable solutions shall be resolved in judicial proceedings at the location of the University.

6. SPECIAL CONDITIONS

7.1. In the event of termination of the University's activities based on a liquidation process or termination of educational activities due to the revocation of a license, the University shall take measures to complete the Learner's academic year in other educational organizations.

7.2. By acceding to this Agreement, the Learner and their legal Representative grant the right to carry out video/audio recording in the University building, and to record and store as electronic messages, without additional notifications, for the purpose of ensuring the quality of service and safety. The Learner and/or their Representative express their consent that such video/audio recordings and/or recordings of telephone conversations/electronic negotiations (including via messengers) may be used as evidence during the judicial proceedings of disputes and disagreements between the Parties.

7.3. According to Art. 3, clause 4 of the Law of the Republic of Kazakhstan dated October 11, 2011 No. 483-IV "On Religious Activities and Religious Associations", "the system of education and upbringing in the Republic of Kazakhstan, except for spiritual (religious) educational organizations, is separated from religion and religious associations and bears a secular character". The wearing of religious clothing and paraphernalia is not permitted in the University, and also according to clause 3 of Art. 7 of the Law of the Republic of Kazakhstan dated October 11, 2011 No. 483-IV "On Religious Activities and Religious Associations", conducting (performing) religious services, religious rites, ceremonies and (or) gatherings, as well as carrying out missionary activities on the territory and in the buildings of educational organizations, except for spiritual (religious) educational organizations, is not permitted.

7. TERM, PROCEDURE FOR AMENDING THE CONDITIONS OF THE AGREEMENT AND ITS TERMINATION

8.1. This Agreement shall enter into force from the day of signing the "Statement of Accession" by the Learner and/or their legal Representative and shall be valid for the entire period of study in accordance with the study plan of the University, as well as until the complete fulfillment of the undertaken obligations by the Parties.

8.2. In the event of dismissal of the Learner with their subsequent reinstatement into the body of Learners of the University, a new agreement and a statement of accession are drawn up, wherein the conditions established at the moment of concluding the new agreement come into effect.

8.3. The terms of this Agreement may be amended and supplemented by the University by placing information on the amendment or addition on the official website of the University on the Internet, as well as in information systems and means of communication with the Learner. The amendment of individual conditions of this Agreement, such as the termination of one or several of its clauses, does not terminate the validity of this Agreement as a whole.

8.4. The Learner (Representative) may refuse the execution of the Agreement by sending a corresponding application to the University, provided that the actual expenses incurred by the University are fully paid to it.

8.5. The moment of termination of contractual relations between the Parties is the full fulfillment by the Parties of their undertaken obligations.

8.6. The basis for the termination of this Agreement is the issuance of a corresponding Order of the University on the dismissal of the Learner, and the conclusion of an Agreement on termination is not required.

8.7. This Agreement is placed on the official website of the University on the Internet <https://qairu.kz/>.

APPENDIX NO. 1

**to the Accession Agreement for the provision of educational
services under higher and postgraduate education programs**

1. The tuition fee is:

Bachelor's degree - 2,500,000 (two million five hundred thousand) tenge per academic year;
Master's degree - 3,000,000 (three million) tenge per academic year;
MBA - 6,000,000 (six million) tenge per academic year.

2. The cost of an academic credit, the amount, and the terms of tuition payment are established in tenge, and are annually approved by the decision of the Management Board of the University.

3. The annual (for one academic year) tuition amount may be altered by the decision of the Management Board of the University in accordance with the Law of the Republic of Kazakhstan «On Education» and in cases of the issuance of regulatory acts substantially changing the conditions and expenses for educational services, an increase in labor remuneration expenses and the inflation index, but not more than once a year.

4. Tuition payment is made by transferring the amount to the settlement account of the University as a lump sum before August 25 of the current academic year, or under the following conditions:

- 40% of the specified annual cost no later than August 25 of the current academic year;
- 30% of the specified annual cost before the beginning of the examination session of the first trimester of the current academic year;
- 30% of the specified annual cost before the beginning of the examination session of the second trimester of the current academic year.

5. In the event the Learner has paid in full for educational services for the entire period of study, the cost of educational services is not subject to increase during the entire period of study.

6. Payment for the summer semester (repeated course) is made before the start of the summer semester (repeated course).
